Dear Regina Public Schools Families:

The Saskatchewan Teachers' Federation announced today that there will be **"a second one-day provincewide strike held on Monday, January 22, 2024."**

As we previously noted, Regina Public Schools teachers, principals and vice-principals, consultants and other positions are members of the STF and therefore will not be in schools on that day. As a result, **all schools will be closed for students on Monday, January 22, 2024.** In addition, all extracurricular activities and school-age care programs (before and after school programs) will be cancelled. All non-STF staff will report to work as usual.

Classes and all other regular school activities will resume on Tuesday, January 23, 2024.

Any further job action will be determined by the STF, but could impact extracurricular programming, supervision at the start or end of the day and/or at noon, the length of the school day, and/or transportation pick up and drop off times. Understanding the range of potential actions, we continue to advise families to think about alternative transportation and/or childcare plans.

As we receive future job action updates from the STF, we will notify families and staff as soon as possible of any impacts in Regina Public schools, via email/text using our School Messenger system, our website, Edsby, and social media platforms.

We hope that by keeping you informed, families can make plans and we can work together to provide for the safety and well-being of students. Should you have any questions or concerns, please email the school division at [info@rbe.sk.ca](mailto:info@rbe.sk.ca) or 306 523-3000.
