This is just a reminder to all parents and guardians that Power School is available through the Parent Portal so parents have access to critical student data at any time.

If you are interested you simply need to visit your App Store and search Pearson PowerSchool Mobile to load the free app. You must have your parent portal letter with your child's Access ID & Password. If you do not have a copy of this please feel free to visit the office and Mrs. Hamilton will get you a copy. Unfortunately, this is not something that can be sent home with your child. This letter can only be given directly to the parent/guardian.

- Parents/guardians can see all grades, assignments, attendance, GPA and more

George Lee Book Swap

Books! Books! and More BOOKS!

Do you have books sitting around your house that your children have already read? Are you in need of some "New to You" summer reading material for your child(ren)? If so, participate in this years BOOK SWAP.

Students will be able to bring books in good condition and place them in their classroom book swap box. The number of books brought will be recorded and then the George Lee Library will host another exciting Book Swap. For each book your child brought, they will be able to pick out new books in their place. This will allow students to have some "new" books to read for the summer.

Start collecting your books now so you are ready to bring them in June. Please stay tuned as more information will be coming home in late May!

Track & Field

With spring in full swing it is finally track and field Season! Students who are in grades 4- 8 have the option to participate on the track team. Track and field is separated into the following groups:
