Dear Regina Public Schools families:

In December 2023, the Saskatchewan Teachers' Federation (STF) voted in favour of taking job action prior to entering into a conciliation process with the Government-Trustee Bargaining Committee. On Monday, January 8, 2024, the Conciliation Board's report was released.

Regina Public Schools teachers, principals and vice principals, consultants and other positions are members of the STF. Any direction from the STF to initiate job action will impact these employees and operation of our schools. While we do not know when or what form any STF job action could take, Regina Public Schools would like to assure you that the safety of students is always our top priority.

We recognize that any change to school operations can be disruptive and unsettling. We are committed to keeping all families and staff informed of any changes to school operations. Please look for future communications from Regina Public Schools by email and on our website, Edsby and social media channels.

For now, school operations will continue as normal. However, should we receive notice that job action will occur, Regina Public Schools will notify families and staff as soon as possible.

Regina Public Schools values the dedicated STF staff in our Division and the great work they do in our classrooms and communities, and we respect the collective bargaining rights of our employees.

If you have any questions or concerns, please contact Regina Public Schools at info@rbe.sk.ca or 306-523-3000.

Sincerely,

Darren Boldt
