June 19, 2023

Dear Transportation Families,

The end of the current school year is quickly approaching, and we have started working on transportation arrangements for the 2023-24 school year.

Usually, families receive information in the mail in early August about transportation arrangements for the new school year. **This year, the information will be posted on the Ride 360 App or Ride 360 website after August 1, 2023.** As the information will be available online, we will no longer be mailing printed copies of transportation information.

Instructions on how to access the Ride 360 App or Website can be found under Transportation on the Regina Public Schools website <https://www.reginapublicschools.ca/>. To register an account, you will require your child's Learning ID# to log into the app or website. Your child's learning ID # will be provided in the August email.

Please watch for an email and phone call in early August to alert you that the information is available for viewing on the Ride 360 app and website.

If you require assistance or have any questions, please contact the Transportation Department (306-523-3025 or email transportation@rbe.sk.ca) or your school. We look forward to seeing students in the fall!

Best regards,

Charlen Miller
Transportation Manager
